

### Motorcycle Campaign To Begin

The 1968 motorcycle racing season gets under way next Sunday with an AMA steeplechase program at Ascot Park in Gardena, reports promoter J. C. Agajanian.

The program will feature more than 100 riders in the novice, amateur and expert classes.

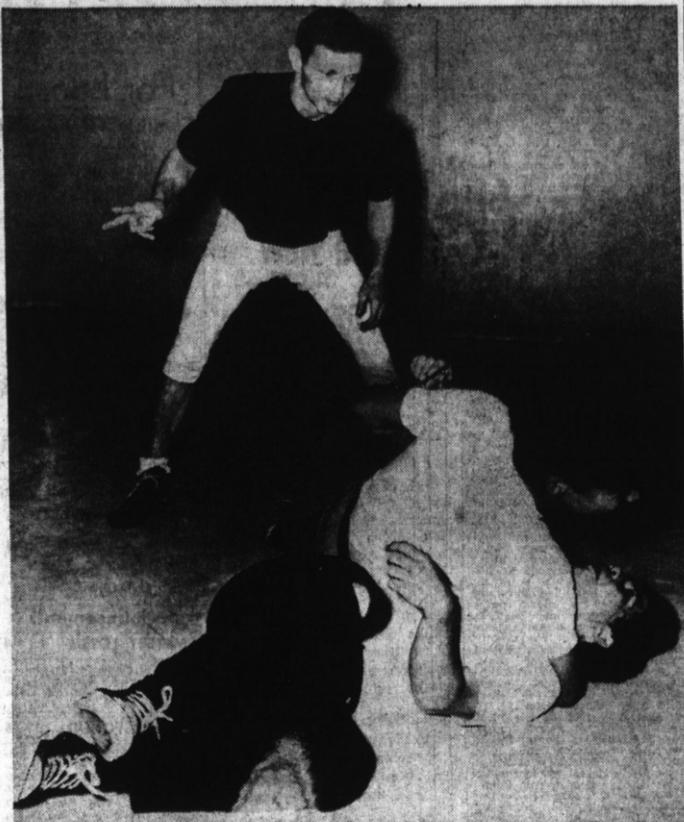

With a new season beginning, many new amateurs and experts will be competing in their new classes for the first time.

Headlining the meet will be such expert favorites as Gene Romero of San Luis Obispo, who will make his riding return following last year's serious leg injuries, and national steeplechase meet champion Skip Van Leeuwen of Hollywood.

Also in the field will be 1967 Pacific Coast flat track champion Dan Haaby of Lawndale and veteran Dick Hammer of South Gate.

TRICKS OF THE TRADE... A wrestling program for boys in the sixth to eighth grades has been programmed by the Torrance Recreation Department. Instructor Bob Janko of North High (background) is referee during the trial match, scoring two points for a take down.

### Kids Wrestling Started

More than 300 boys will compete in the Torrance Recreation Department wrestling program at three high schools.

Wrestlers are divided into their own age group and paired according to weight. Skills such as coordination, agility, and endurance are stressed as well as fundamental holds and moves.

The program is at North High on Monday night, South High on Tuesday night and at Torrance High on Wednesday night from 7 to 9 p.m.

### Fred Peterson Named Coach of Football Stars

Fred Peterson of West High has been named to coach the West squad in the Lions All-Star Football Game this summer.

"We are fortunate to have a man of Coach Peterson's caliber at the head of our West squad," said Don Banker, game chairman.

Peterson, who coached in Nebraska before reporting to West High, led his team to

the Pioneer League championship and a berth in the CIF Playoffs in 1967. His 13-year record as a coach includes 84 wins, 36 losses and 6 ties.

At West High, his varsity record is 19 wins and 9 losses in three seasons.

"It is a privilege and an honor to coach this team, consisting of the best football players in the area," Peterson said. "My staff and I will work hard to make it the greatest game yet."

Peterson is a graduate of Midland College in Fremont, Nebraska. He was All-Nebraska College Conference Quarterback in 1953, and was honored as his school's outstanding senior athlete in 1954.

He earned letters in football, baseball, basketball and track.

The date of the annual All-Star classic, which pits the best 46 senior in the South Bay in an east-west rivalry, has not been determined.

The sponsoring West Torrance Lions Club will select the East Coach, as well as the participants, within the next few weeks.
